

There are no boundaries to what can be done with The Rug Shop's custom options. Let your creativity flow, because if you can dream it we can weave it. Getting your perfect rug is simple with the following steps;

1: BLUE PRINT/DESIGN

Choose from hundreds of beautiful designs including traditional patterns or take your inspiration from elsewhere and let us do a custom design that is a reflection of you and your space.

2: COLOR/MATERIALS

To ensure correct combination of texture and color we offer a wide variety of material options; including wools sourced from all over the world as well as silk, bamboo, viscose and more. Choose from over 600 color samples as well your unique texture choices such as high low pile effects, loop piles etc.

3: COLOR RENDERING

Adding your selected colors to your design you'll finally see the blend of color and style. The color rendering gives you a first real taste of the finished product.

4: PRODUCTION

Having selected all of your colors, materials and textures and given final approval on the renderings production begins on the rug. A strike-off, a small sample of the completed rug, is highly recommended on all custom pieces. This allows you to see the look and feel of the piece assuring a beautiful match. Most rugs will be completed and received in 4-6 months.

The Rug Shop only works with weavers and importers who strictly adhere to all child labor laws. The Rug Shop will not produce any custom rugs that are an infringement on copyright protections.
